## How To Use This Index

The entries in this index refer to the index number of each clipping. The index number appears in the upper right hand corner of each clipping box. The following table indicates the months and their corresponding index numbers.

July	0001-0611	October	1771-2430
August	0612-1188	November	2431-3116
September	1189-1770	December	3117-3812

An asterisk (\*) after an index number indicates an illustration is included.

This index is divided into four parts: 1) Country, 2) International Organization, 3) Personal Name, and 4) Byline.

Country Index: Under each country heading there are a series of subheads in alphabetical order. The following subheads are standard throughout the index:

- Ambassadors
- Armed Forces: branches of the country's military and police.
- Books About
- Calamities: natural disasters such as earthquakes, floods, famine, drought.
- Cartoons About

- Trade: listing of those nations with which the country trades. Also listed are references to exports and imports.
- Treaties: the treaties and agreements to which the country is a signatory or which affect the country.
- Water, Irrigation, and Dams

Note: Other non-profit organizations (such as Boy Scouts) not included above are listed alphabetically by name under the country.

In addition to the individual country headings there are also four regional headings which are listed alphabetically among the countries: Andean Bloc, Caribbean, Central America and Latin America.

International Organization Index: Under this index are listed by name private and public organizations operating in Latin America which are based outside Latin America or whose operations are not clearly associated with or limited to one Latin American country.

Personal Name Index: Under this index are listed by name persons (Latin American and foreign) about whom significant information is provided.

Byline Index: Under this index are listed by name the authors of articles contained in the clipping service.

ISLA is a non-profit corporation whose sole purpose is to provide researchers access to information on Latin America. The ISLA Clipping Service provides comprehensive coverage of Latin American political, social and economic news as published in the eight newspapers listed above. Articles are omitted only where duplication occurs.
